Click [here](#) for the full map of the bus routes.

Please take care if walking from the bus stop to the stadium, as there are few pavements.

Getting here by public transport - Metro

You may need to get the metro to the bus stations. The nearest metro stations to the stadium are the Mall of the Emirates (R32) and Dubai Internet City (R34), which are on the **Red Line**. Trains run from 5am to midnight (every day of the week, except Sunday, when they start at 8am), every 3-5 minutes. Click [here](#) for the full map of the metro.

If you are coming from downtown Dubai, the best option is to take the metro to Dubai Internet City, followed by the F34 bus. This will cost 4 to 8.50 AED, depending on the number of zones passed. You can travel on both the metro and bus and it will count as a single journey so long as you check in on a bus within 30 minutes of checking out of a metro station.

You can use [this page](#) to plan your journey.
